Coon Lake Improvement Association (CLIA) Membership Information and Form

Your Coon Lake community lake organization, the Coon Lake Improvement Association (CLIA) is a non-profit entity and exists for all of us to act as stewards for Coon Lake. CLIA informs the membership of current events, receives input and direction from the lakeshore property owners, recruits' volunteers to work toward solving issues at hand and develop a sense of belonging to Coon Lake and its neighbors. We welcome your interest in being an active part of your community.

Some reasons to enjoy a membership with CLIA:

- Two annual meetings with a social hour prior to the business meeting
- One summer picnic
- Two copies of "Coon Lake Living" newsletters annually
- Periodic emails including social activities, aquatic educational material and Coon Lake status updates
- A dedicated board and committee team that meet once monthly
- A group of volunteers working closely with the DNR on lake quality issues
- Aquatic vegetation surveys conducted to monitor invasive species locations and density
- Volunteer to support activities like Meat Raffles, Ice Fishing contest, Education, Special Projects & more
- Access to Coon Lake promotional items
- Representation at many government functions related to Coon Lake
- Coordination of social events
- Business sponsors get advertisements in "Coon Lake Living" as well as on E-updates

We hope that you will consider becoming a member or remaining a member.

Single membership: \$20 | Household membership: \$25 | Business sponsorships start at \$50

Please complete this form and return it with your dues OR
register online at <https://www.coonlake.org/membership.html>.

Membership is a very important component of sustaining the lake association and demonstrates to the MN DNR that the residents of Coon Lake support the efforts of CLIA and that of the Coon Lake Improvement District (CLID).

To become acquainted with CLIA, sign up now to be a member!

Join us on the third Thursday in May and the third Thursday in October
